Lessons in Leadership

"The whole is equal to the sum of all its parts"—so goes the theorem. In this book, we have recorded the events of a school year; and it is our intention to prove that all phases of school life are contributing factors to the development and continuance of the school—and that no one factor is more essential to the life of the school than in good leadership.

Youth is malleable, and the influences exerted during the formative high school years are of tremendous force and incalculable value. The student must be led to make wise choices, to exercise good judgment, to acquire the knowledge necessary for the performance of his future life's work. Here at Coughlin, we have been fortunate in our principal and faculty. From them we have had wise and constructive leadership. Because of this high quality of leadership, we have learned to know "the good that comes from instruction."

In the democratic society of a public high school every student finds the joy of companionship with those of his own generation. And, as the four years of the high school cycle turn, out of "all the companions of joyful school days," there appear, sometimes as if by magic, persons qualified to fulfill the position when the need for leadership arises. From the school group, there come—the class officers, the club president, the athlete, the actor, the editor, and "all the persons" who contribute their share of young strength and enthusiasm, intelligence and humor to the life of the school. These young people exemplify all that is best in life.

For example, the athlete has learned "to value the game beyond the prize," only because his leaders have taught and personified good sportsmanship. The lessons in leadership have been many, and well taught.

Lessons in leadership! Each page and each picture is visible proof of our theme. We hope that we have thus succeeded in making the 1952 Bredlin a memorable experience for everyone.

FOREWORD

Joe of Luck Anne Marie

Alma Mater

Bessie Stella Jones, '07

*Hail to Coughlin, Alma Mater,
Stepping stone to fame,
For the student and the athlete
With his zeal aflame.*

*Pleasant memories cluster 'round it,
Of its prestige proud,
While the promise of the future,
Beams through every cloud.*

*When life's noontime joy has vanished,
Lost in reverie,
Like the glory of the sunset
School-day dreams we see.*

Chorus

*Winning in the field and forum,
Keep the goal in view;
Shout in chorus for our banner,
Wave the Red and Blue.*

DEDICATION

Through the years our school has been most fortunate in its leaders, and we of the present generation have received a proud heritage.

First, there was Mr. Jacob P. Breidinger, beloved of many generations of Coughlin students whose wise counsel was an inspiration to every student who knew him. Then, as Mr. Breidinger's years as principal drew to a close, by his side there appeared another great man who was to take his place.

In nineteen thirty-two, Mr. John H. Super became principal. It was with a deep sense of loss that we saw Mr. Super retire in June, nineteen fifty-one. Each of our lives was enriched by this man who made education his life's work.

In September of nineteen-fifty-one Mr. Francis T. Truscott became principal of Coughlin High School; and, for the third time we have been unusually fortunate in our principal.

During this past year Mr. Truscott has won the admiration and respect of the faculty and students.

We have learned to seek his wise counsel and guidance. We have been deeply impressed by his friendliness, sincerity, and courtesy.

With the hope that our appreciation of his leadership might be expressed more fully by some outward evidence, we, the class of nineteen fifty-two, as a symbol and token of our appreciation for his earnest endeavors to help make our senior years a memorable one, do respectfully dedicate this yearbook to Mr. Francis T. Truscott.

The culmination of four years of hard work for forty-five Clayton seniors was the announcement made by Mr. Tins that the paper was about to name those who had been chosen as members

of the NATIONAL HONOR SOCIETY for nineteen fifty-two. As each chosen student's name was read, a sense of relief and a deep sigh of relief escaped him. At last!

Open Letter to the Class of '52

To the Members of the Class of 1952:

You have reached the point in your life that, just a few years ago, seemed a long way off. You and your parents have dreamed of the day when you would graduate from high school. But, since all good things come to those who wait, your day of realization has come.

We have tried in Coughlin to point out to you those things that will count most as you travel through life. If you have learned that honesty, courtesy, and character are the important factors, we shall feel that we have accomplished our purpose. You will always be faced by a conflict between good and evil. Have the courage always to do what is right, and your life will be of benefit to yourself and your community.

Young people of today are confronted with many questions. Are we going to have another war? Shall I continue my education? Is it possible to plan my future? I wish I could answer those questions for you. But I do hope, whatever you decide your future will be, that you won't lose faith in yourself, your country, your God. Our country has gone through many crises; and, mainly, because of the faith of our young people, it has always passed them safely. With your continued faith and confidence, I know we shall be able to solve our present problems and return to normal living.

Now the time has come for you to go your various ways in life. For some of you graduation will mean the end of your formal education. Others will go on to a more advanced phase. You all have been most fortunate in your high school years. Your lives have been enriched through your contact with a man of unusual educational stature—Mr. J. H. Super. His fine influence will always be a source of inspiration to you.

May God be with you, Class of '52; and, as you become alumni of Coughlin, we wish you the best that life can offer.

Sincerely,

Francis T. Truett

Class Song

By Eleanor Kusyk '52

Tune: "I'll Walk Alone"

Dear School, to you
We bid adieu—
And our hearts fill with sadness;
For, the warmth and the gladness
That you give we must leave—
Yet smile, not grieve.

To teachers, too,
We say adieu—
Singing praises forever—
For the guidance you render,
And the knowledge you share—
A gem, so rare.

And, all of these mem'ries
We'll cherish through years,
Though time will make us old.
The fun that we had,
Through all of these days,
Will make us sigh
For days gone by.

The future calls
Us, one and all—
Chosen paths we must follow.
We'll not be here tomorrow,
Dear Friends, Farewell!

I wish success in

Five seniors girls were chosen last October, by the students of Coughlin High School, to appear as **Cover-girls** on the five issues of the "Journal". The girls were chosen for leadership, appearance, and personality.

Corinne Fronzoni's picture appeared on the Hallowe'en issue, Sandra Jenkins' on the Christmas Journal, Helen Leskanich's at Valentine's Day, Elaine Petro's at Easter, and Janet Koval, in cap and gown, appeared at Graduation.

One of these five girls, Helen Leskanich, was chosen "Miss Breidlin" at a later contest. Coughlin students were pleased and proud to be so beautifully represented.

The Editorial Staff gathers and prepares copy. The Junior High Staff, added to the **Board of Publications** this year, gathers material of interest to seventh, eighth, and ninth grade students. The

Typing Staff types all copy for the printers. The Mimeograph Staff produces all bulletins and circulars. The advertisements and patrons' list for the Journal and Braidlin are assembled by the Business Staff. To the Art Staff the school owes all the art work in the Journal and Braidlin. Mrs. Margaret R. Evans is adviser of the **Board of Publications** and Mr. Arthur Booth is adviser of the Business Staff.

Service Club-Girls' Athletics

Grand March at Hallowe'en

Key Club once again filled a very active year by sponsoring a number of important events. Included on their agenda were the distribution of tuberculosis posters throughout the city, sponsoring dances after basketball games, decorating for special events, and playing records for "Club Lunch-time". Along with this, they joined the Kiwanis Club in some very important projects and held interesting luncheon meetings with very notable speakers.

The **Girls' Athletic Association**, usually known as the G. A. A., has had many interesting projects throughout the year. The general purpose of the G. A. A. is to create a liking for girls' athletics, and the club admits to membership all girls who are interested in girl sports. Working with **Key Club**, they have been able to sponsor the Hallowe'en Dance, the Mistletoe Dance, and the Valentine Dance. Last, but not least, was the sponsoring of the Hallowe'en Party for the

Music—Band and Orchestra

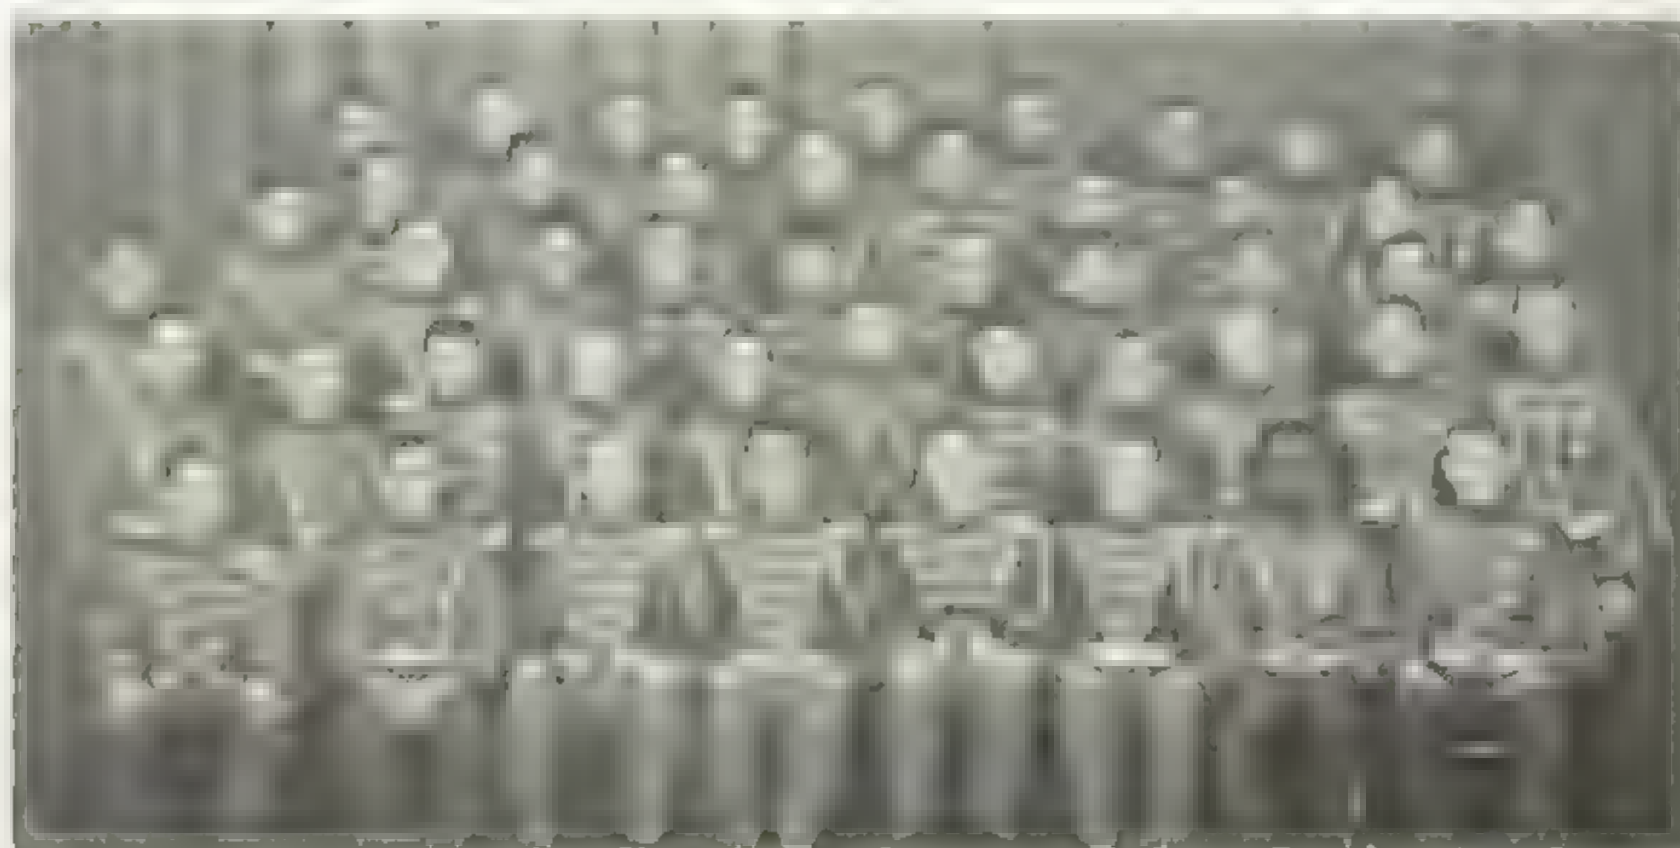

Mr. Meucci leads the Band

"Here Comes the Band" echoes through the halls of Coughlin as a faint drum beat is heard. Then we see the military formation and hear the striking music as our **Band** comes marching in full array. Our **Band** is seen on such occasions as football games and parades. The Band directors changed when Mr. Otello Meucci was inducted into military service. The Band is now under the direction of Mr. Schmidt.

Our "old faithfuls" at Coughlin perform during chapel exercises, playing tuneful and ear-catching melodies. They are none other than our **Varsity Orchestra**. Always on the job, they provide music for the senior high school assembly and for most school events.

Following in the footsteps of the Band and Orchestra comes our **Junior Symphony Orchestra**, under the direction of Mr. Clyde Owens. The Junior Orchestra has had an active year not only in the school but the community as

Modern Language Clubs

German Club elects officers

Parlez-vous Francais?, or Sprechen Sie Deutsch?, or maybe you're a non-linguist who speaks only English. But, for members of the French and German Clubs, language-interest has run high this year. The FRENCH CLUB held an initiation for new members. Elaine Petro sang "Paris", and Barbara Hudak played a piano solo called "Salut a Pesth". Le Cercle Francais participated in the joint-meeting of the Language Clubs and offered a piano solo, a vocal solo, a tap dance, and a novelty song. Square dancing made the evening complete.

DEUTSCHER VEREIN, which holds monthly evening meetings, sponsored two weiner roasts, a year-end banquet, a program for the Language Clubs, which included a vocal solo, a duet, a monologue, and a comedy piano solo. At commencement they awarded prizes to four students in German. Miss M. H. J. advises the French Club, and Mr. Riemensnyder advises the German Club.

Public Speaking and Dramatics

The Masquers study "theatre"

The program is on and members of SPEAKERS' CLUB are out in full array to tell us of the importance of the Breidlin and the Journal. To speak in the subscription campaigns is the primary function of this club; and, to their task, this year was added the speech-making for the sale of the new Journal Supplement. Of course, this was not all; for Speakers' had an interesting program of panel discussions which members presented at regular meetings.

The cast of the Senior Play was selected from among the thespians of Coughlin, MASQUERS. Masquers is made up of selected students who participate in all our school's dramatic entertainments. Included on its agenda are the Journal and Breidlin Skits, the Christmas Play, and a host of other enjoyable programs.

Last, but not least, we cannot exclude the STAGE CREW from our comments, for they have contributed many services in a friendly and helpful manner. Among their many activities are clean-up, repairs, and stage-setting.

They acted as hosts at the joint meeting of language clubs, and plan to give an award to the student with the highest two-year average in Spanish. Two Active Hobby Clubs

Expert collectors make a display

A hobby, according to Webster, is "a favorite pastime; so, that must be the reason for the large membership of two of Coughlin's hobby clubs—the GIRLS COLLECTORS' CLUB and PEN PALS. The Girls Collectors' Club meets every week to discuss the material which has been distributed by the club adviser, Mrs. E. C. Coughlin. The members have collections of postcards, stamps, and other cards. Every year the club leaves some display to the school. The Pen Pals Club, which is made up of seventh grade geography students, has proved a very popular one. These students correspond with girls in the United States, Canada, England, the United States, New Zealand, and South America. They received pictures and editorials about the king's death and the new queen from England. Each week these letters are read and discussed at their meeting. They also participated in an Easter Egg Hunt at Kirby Park and attended a Spring Dinner.

Ars gratia artis will be the motto of Coughlin's ART CLUB. Interested students make several trips during the year. The school art show of the year was held at the University of California. The school art show of the year was held at the University of California. The Art Club is a popular one with many members. It presented several interesting and informative programs. Among these were "The Ages", and "The Art of the Future". Mr. C. Teen-Age "Y" Clubs

Miss Dixon meets "the cabinet"

To create, maintain, and extend, throughout the world and community, high standards of Christian character." This is the purpose of the nation-wide fellowship of the Hi-Y. The Coughlin Hi-Y which is affiliated with the Wilkes Barre Central Y. M. C. A. has had a very successful and interesting year. One of the Hi-Y's annual duties at Coughlin is the sale of name cards. The Hi-Y was represented at the Hi-Y State Conference held at Milton by a Coughlin delegate.

Traveling along the same way as the Hi-Y and promoting good citizenship and moulding young women for leadership, the Y-TEENS have had a very successful year of fun and fellowship. Under the guidance of their adviser, Miss Eva Dixon, they have made this school year one that will never be forgotten. Together, the Hi-Y and Y-Teens have added a fine contribution to the good spirit of Coughlin High.

And knew that it would do.
From the field of stars,
Near the shining bars
They took the deepest blue.

And cheers rang to the sky,
And thus was born the banner
Of our dear old Coughlin High.*

Will ever praise thy name
With faith and care
They all prepare
To find the paths to fame.
The years they spend, till school days end,
Will live as time goes by

FOOTBALL

Red and Blue finish in second place

Coach John Stonik

Under the direction of their new mentor, Mr John Stonik, the Coughlin Crusaders produced one of the finest football teams in Wyoming Valley during the 1951 season. In fact, when the season was over the Coughlinites were in second place in the Wyoming Valley Conference

With only seven Lettermen returning from the 1950 season, the Coughlin Crusaders traveled to Plains, where they met and defeated the Plains Red Raiders by 19 to 6 score. The Red and Blue were in command through most of the thrilling contest

In the next outing the Coughlinites subdued the Luzerne Lions by a 28 to 13 count. Ed Johnson scored three TD's in the wild contest

The Plymouth Indians staged a goal line stand to deprive the Red and Blue of their third straight victory as the two elevens battled to a scoreless tie

Newport High School handed the Coughlinites their second straight "draw" when they battled the Red and Blue eleven to a 6 to 6 tie. Both had troubles in getting any kind of an offensive attack clicking

The Red and Blue next traveled to Nanticoke where they routed the home forces by a 21 to 0 score. Degnan, Gryczko, and Johnson made long gains throughout the game.

After that win, the Crusaders returned home to begin their quest for the City Championship. However, the Meyers Mohawks wrecked the Red and Blue's hopes when they scored a 13 to 6 "upset"

A heavy rain hampered most of the offensive play, as the Coughlin Crusaders and G. A. R. Grenadiers played to a 6 to 6 tie before about 4,000 drenched fans. All the scoring was done in the first half. This tie ended the Red and Blue's hope for a city championship

In what many considered the hardest fought game of the season, the Coughlinites scored a 14 to 12 "upset" victory over the powerful Larksville Green Wave. The Red and Blue, sparked by the passing of Joe Degnan, twice came from behind to win this contest. Two Degnan passes to Cashmere accounted for the margin of victory.

On Thanksgiving Day, the Red and Blue ended their 1951 football season by whipping their rivals from Kingston by a 14 to 6 score. Ten seniors played their last game for C. H. S., as the Red and Blue climaxed a successful season

Season ends with Coughlin victorious

The "national game"

Coughlin finished the 1951 season with an impressive record of five wins and three losses. The Crusaders were in the thick of the championship race until the final game of the season when they suffered a heartbreaking defeat at the hands of G. A. R., thus giving the championship to Hanover. Coughlin's 1952 team was built around such veterans as Baran, who will captain the team, and other outstanding players as Featherstone, Degnan, Kraynanski and Ruddy.

Coughlin started out the 1952 season at a terrific speed breezing by Newport with the score of 11 to 4. Leonard received credit for the win as he had complete control over the Newport team throughout the game. Batting star for the Coughlin team was Kraynanski who had three hits in four turns at bat, including two doubles. Newport, at no time, threatened. The final score was—Coughlin 11, Newport 4.

In the opening game in the Wyoming Valley League, Coughlin opened against Meyers and was defeated by the score of 6 to 3. Wychock pitched an excellent game, but the team just couldn't seem to get their batting-eye and dropped the game by the final score of 6 to 3.

In the second game the Crusaders traveled to Hanover where they were handed a decisive set-back at the hands of last year's champions, by the convincing score of 8 to 0. Wychock and the boys couldn't get moving, and the boys from Hanover had their batting eyes with them throughout the entire game.

In a game played at the Pine Ridge diamond, Coughlin gained a first win in league competition by the score of 9 to 1. Leonard was complete master of the game throughout and received good support from the rest of the team. The outstanding hitter was Degnan who had a triple. The final score was Coughlin 9, Kingston 1.

Coughlin's season is coming to a close and many seniors are now playing the final game for their Alma Mater. Among those who are playing the last game are: J. Baran, captain of the 1952 team; Featherstone, Ruddy, Kraynanski, Keyes, Greeley, and Niedzwiki. To these players we wish the best of luck.

Coach Bernard Cobb

With Mr. Bernard Cobb resuming as track coach, the opening meet of the season was held against the team's pet rival, Kingston. But the experienced Huskies proved to be a bit stronger as they edged out the Coughlin Squad by a $57\frac{1}{2}$ to $59\frac{1}{2}$ score.

At the following contest, Coughlin squeezed to victory by defeating Hanover and Forty Fort with a total of 58 $1\frac{10}{10}$ to 58 to 18 $9\frac{10}{10}$ points, respectively. Miller won the mile and 880, Johnson, Klein, and Kwak the shot put; Teslich the 440, and Cashmere the broad jump.

On May 3, Coughlin humbled Meyers, $68\frac{1}{2}$ to $58\frac{1}{2}$ with Harkins getting 10 points.

Seniors serving their last year on the team are: Miller, Cashmere, Harkins, Perkowski, Klein, Johnson, Zaccagni, Kovalick, Bellas, and Henry.
